The State Police Headquarters at Appomattox receives all manner of urgent calls for assistance. One of the latest followed the unearthing of an old army shell, near Lovingston. The shell was forwarded, gingerly, to local State Police, and in turn they called in ballistic experts from Fort Lee. The shell was reported to be a .90 millimeter shell — and was found to be a dud. However, the police ask that all such shells be reported, declaring that there is potential danger in old shells.

Suggestion Dept. — A much larger sign, and nearer to the highway, is needed to indicate the whereabouts of the Public Dump. It is some two miles from town, and citizens who volunteer to take their garbage and trash without awaiting the twice-weekly collection, are actually saving the town money. Several citizens have told me they have never been to the Dump. On a recent visit to a large city, I found that twice a week garbage collection was all they had, although their city tax rate was four times as high as ours. So Appomattox is very much in line with other communities in this matter and our people should use the availability.

Former Exchange Teacher Here For Vacation

Miss Gudrun Riemann, of Aalboig, Denmark, is spending a two week vacation in Appomattox with Mrs. W. P. Ferrell.

Miss Riemann, an exchange teacher to Appomattox in 1956-57, arrived in Appomattox last Friday from her home in Denmark. She flew from Denmark to Iceland, to New York, to Lynchburg, and then drove here.

In Denmark, Miss Reimann teaches geology, geography, and biology.

Since there are no mountains in her native country, Miss Riemann marvels at the "mountains" around Appomattox. She will get to see some real mountains next week when she visits the Great Smokeys.

INFORMATION FOR THE CITIZENS OF APPOMATTOX COUNTY

The Following Articles Appeared In Local Newspapers

LYNCHBURG, VA., SUNDAY, MARCH 17, 1963

Stanley said there have been many rumors over the county about his running, his age and his drawing retirement pay while in office, if elected.

"If elected, I will draw no retirement pay from the State Police as long as I serve as an elective officer," he said, "Also, I want the people to understand that I am not 65 years of age and being forced into retirement, as some rumors have had it."

WHAT ARE THE TRUE FACTS?

TIMES-VIRGINIAN, APRIL 4, 1963

NOTICE

To The Voters of Appomattox, Va.

I am 59 years old and under State Police regulations could have worked until January 1, 1964, but chose to retire early to run for sheriff of our county.

If elected I will draw no retirement pay from the State Police as long as I serve as an elected officer.

Your vote and support will be gratefully appreciated.

VIRGINIA SUPPLEMENTAL RETIREMENT SYSTEM

The Honorable W. A. Pennington
Buckingham, Virginia

Dear Dr. Pennington: Re: Leslie L. Sanley
Retired—State Police

Since you represent Buckingham, Appomattox and Cumberland Counties in The General Assembly of Virginia, you are herewith provided the information requested concerning the retirement of Sergeant Leslie L. Stanley, a former State Police Officer.

Mr. Stanley made application March 5, 1963 for retirement and was retired for service under the State Police Officers Retirement System April 1, 1963. The retirement allowance, or pension which Sergeant Stanley is receiving is $247.30 monthly. In determining the amount of the pension, we used an average salary $6105.12. This is the average salary for the five highest consecutive years of salary.

An allowance is payable to Sergeant Stanley so long as he is not employed in a position covered under a State Retirement System. Appomattox County is not included as an employer under a State Retirement System, therefore, based on the present record, **if Sergeant Stanley is elected Sheriff of Appomattox County he would continue to receive the State Police Officers Retirement pension.**

With kindest personal regards.

Sincerely,
Charles H. Smith, Director

To The People Of Appomattox County

We urge you to support and vote for Walter S. Conner on July 9th to succeed himself as Sheriff of Appomattox County. His experience as a soldier with thirty-two months of actual combat duty, Deputy Sheriff for ten years and now Sheriff well qualify him for the position he seeks. He has demonstrated his ability to perform the duties of the office in a satisfactory manner.

Walter Conner has been Sheriff of Appomattox County since December 1960. Prior to this, he was Deputy Sheriff for over ten years. He was the first man to be called for active service from Appomattox County in World War II and served four years and eight months with thirty-two months overseas in actual combat. He received an honorable discharge as a non-commissioned officer.

Mr. Conner is entirely RELIABLE, HONEST and TRUTHFUL. He has no other income with which to support his wife and two children who are in school and, if elected, he will devote his full time to the job.

We urge you to keep in office this veteran of demonstrated ability who deserves and needs the position.

Mr. Conner was A-1 when the time came to face the enemy and risk his life to protect those of us who stayed at home. HE SHOULD BE A-1 NOW!

TO THE VOTERS OF APPOMATTOX COUNTY

When I announced my candidacy for sheriff of Appomattox County, I stated to the voters in all sincerity that I would not be eligible to draw any retirement pay if elected to that office.

I made this announcement after consulting with my superior, Major Phillip W. Crews, second in command of Virginia State Police, and after being assured by him that I would not be eligible to receive my retirement pay while drawing a salary from the county as sheriff.

Below is a letter which I received from Major Crews confirming this conversation.

COMMONWEALTH OF VIRGINIA

DEPARTMENT OF STATE POLICE
Richmond, Virginia
May 31, 1963

Mr. L. L. Stanley
Appomattox,
Virginia

Dear Lin:

I enjoyed talking with you on May 29, 1963.
While attending retraining school in 1962, you inquired if you could continue to draw your retirement pay if you were elected Sheriff. I am sure I told you you could not. This was based upon the presumption that the salaried county officials and employees were covered by the Virginia Supplemental Retirement System as are the officials and employees of a majority of the counties in Virginia.
I regret any misunderstanding which may have resulted.
Kindest personal regards.

Sincerely,
Phillip W. Crews, Major
Executive Officer

PWC/jb

I recently have been informed by Charles H. Smith, director of the Virginia supplemental Retirement System, that I will be eligible to receive my retirement pay should I be elected sheriff, so long as Appomattox County does not elect to participate in the retirement system.

This retirement is not a gift from the state, but is something I have earned and paid into monthly over the years I served as a State Police officer.

I therefore do not think that the question of whether I will or will not draw my retirement pay should be an issue in this election, but I would like to take this opportunity to correct the honest mistake I made in good faith, relying on information I received from my superior.

I have been informed that 64 Virginia counties participate in the retirement system, and that elected officials there are not eligible for retirement while serving in office.

Appomattox County, however, is one of the 32 counties which does not participate in the system, and where serving as an elected official does not have any effect on a person's receiving retirement pay.

Should Appomattox County decide to go into the retirement system January 1, 1964, I will not be eligible to receive my retirement pay, and the pay would be stopped should the county go into the system at any time while I am serving in office.

You the voters are entitled to the truth, pertaining to all matters and this has been my earnest desire. If there be any further questions regarding my candidacy, I will be glad to answer them in the Lynchburg News, this being the last issue of our local paper the Times-Virginian before the election July 9th.

I urge each and every voter of our county to be sure and vote. Anyone desiring transportation call 352-2181.

Thank you Sincerely,

LENWOOD L. STANLEY
